Affliction is lifelike, real, and universal. Everyone grieves: for the great unwashed we've abstracted, spirit changes, bionomic crises, old age traumas, patrimonial wretched, community challenges, experiences of alienation, dashing hopes, and experiential concerns. We whitethorn find out ourselves mourning as a event of dying, ailment or trauma, disjunction, estrangement or heartbreak, poverty, racial discrimination, or political upheaval. The causations of brokenheartedness area unlimited, ilk nature, and scarce as inconceivable to foreshadow or command.
