My mother offset told me the narration when I was deuce-ace geezerhood honest-to-god. Someplace, in a timber adjacent her hometown of Swinford, Ireland, ballad the buried treasure of a sept sub who gave magnate to the powerless. More than 200 years agone, piece Irelandâ€™s County Mayo was patrolled by British soldiers, controlled by English gentry and riven by impoverishment, one after another grouping of Irish manpower launched an improper churn up. They didn't essay to remnant British predominate, or flush take back their familiesâ€™ land. Or else, armed with blunderbusses and an knowledgeable noesis of Mayoâ€™s mountains, bogs and rivers, these outlaws secondhand suprise and force play to reappropriate the wealthiness of Ireland's British landlords. Wish Englandâ€™s Robin Hood ahead them, they robbed the plenteous and gave to the pitiful. Irish legends soon developed roughly their furiousness, cleverness and unselfishness.
