- From sculptural whitened Pierre Cardin adorn Emily wears for a brotherly love auction sale to her tartan blazer-red-beret mating, here are the five times the costumes in Emily in Paris reminded us of those in Sex and the City. (King Features/Netflix) In the gap scenery of the Sex and the City celluloid, Sarah Jessica Parker glides close to Manhattan as Carrie in a memorable emerald putting surface vintage floral wearing apparel. Paired with a bootleg studded smash, a duplicate summer cake and an Eiffel Tower-shaped Timmy Woods pocketbook, the equip is perfectly set up for Emily Cooper to reduplicate, which she does so with panache by way of a patterned yellowed invest upper side and wench countersink from Ganni, accessorised with a bootleg studded bang.
